

Call for District Convention.

WELLINGTON, Kan., March 31, 1891.
To the Presidents of the Farmers' Alliance and Industrial Union of the Seventh Congressional District:

In accordance with a request of our state president, Frank McGrath, claiming his request is in accord with a call made by President Polk on February 10, 1891, to take the preliminary steps to bring about a delegate convention as soon as practical of all the district Alliances, I hereby announce Wednesday at 8 a. m., the 6th of May, 1891, the day and hour for the meeting of said convention for this, the Seventh district, and in the city of Great Bend. County presidents will see that meetings are promptly called, if they have not been, and delegates duly elected. The interests at stake and objects of the call urgently demand consideration, and are considered of great interest to the Alliance at large and the welfare of the country. The call is made as per the old districting.

Delegates should come prepared for a two days' session. G. H. FISH,
President.

A. Y. MCCORMICK, Secretary.

The Mutual Protective Association.

In order to fully explain the plans and objects of the association, meetings will be held at the times and places hereinafter designated, which will be addressed by some of the most prominent reform speakers of the state. These Farmer's Alliance, Knights of Labor and the National Citizens Industrial Alliance. Each Sub-Alliance and local Assembly of the above organization is requested to send at least one delegate for every ten members or fraction thereof. The meetings will begin promptly at 1 o'clock p. m., and held as follows:

Osage City, Friday, April 10.
Estridge, Saturday, April 11.
Mills, Monday, April 13.
City Center, Tuesday, April 14.

With His Thumb.

A boy is said to have saved the Netherlands from inundation. Multitudes have been saved from the invasion of disease by a bottle of Ayer's Sarsaparilla. This medicine imparts tone to the system and strengthens every organ and fibre of the body.

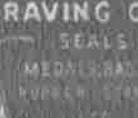

"I have taken a great deal of medicine, but nothing has done me so much good as Ayer's Sarsaparilla. I experienced its beneficial effects before I had quite finished one bottle, and I can freely testify that it is the best blood medicine I know of." —L. W. Ward, sr., Woodland, Texas.

"Confined to an office, as I am, from one year's end to another, with little or no outdoor exercise, I find great help in Ayer's Sarsaparilla, which I have used for several years, and am at present using, with excellent results. It enables me to keep always at my post, enjoying the best of health." —H. C. Barnes, Malden, Mass.

BINDER TWINE.

Last year we issued a circular that opened up the subject as it had never been before. For years the manufacturers had been using a cheaper fibre, mixing it with Manilla and Sisal, appropriating the difference in price to themselves. The result of "Nosing Around" was we learned this, demanded the difference, and at once shared it with our patrons in the quotations of "alleged" Manilla and Sisal in our celebrated circular letter of May 12th, 1890.

This year there is a quarrel among the manufacturers, and we are standing by ready to take advantage of it. We learn that the subscription is being carried still farther, a method of bleaching having been found, and Twine is being made calculated to "deceive even the elect." By this mixing and coloring dealers will be able to make all sorts of quotations.

Our friends as always can depend on us, and as soon as we think the bottom is reached will quote prices. Judging from information already obtained, will be about 25 per cent. lower than last year.
